**Theodore Scaltsas**/Parallel Governing  
**Frank De Roose**/Self-defence and National Defence  
**Miroslav Prokopijević**/Surrogate Motherhood  
**David Archard**/Child Abuse: parental rights and the interests of the child  
**Michael Neumann**/A Case for Apathy

This journal provides a focus for philosophical research with a direct bearing on areas of practical concern which are capable of being illuminated by the critical analytical approach characteristic of philosophy, and by direct consideration of questions of value. These areas include law, politics, economics, science-policy, medicine and education, but are not confined to these. The journal, published under the auspices of the Society for Applied Philosophy, aims to foster and promote philosophical work which is intended to make a constructive contribution to problems in these areas and to the identification, justification and discussion of values capable of transcending narrow or local interests.

## EDITORS

**Brenda Almond & Stephen Clark**

## EDITORIAL BOARD

**Robin Barrow; Andrew Brennan; David E. Cooper; Anthony Duff; Raanan Gillon; James Griffin; R.M. Hare; Martin Hollis; Ian Kennedy; Joel Kupperman; Jeff McMahan; Susan Mendus; Mary Midgley; Anthony O'Hear; John Passmore; Philip Pettit; Amartya Sen; Michael Simon; Peter Singer; T.L.S. **PHILOSOPHY  
AND PRACTICE  
OF MEDICAL ETHICS**

This edition of *The Handbook of Medical Ethics*, published in 1988, represents the first major redraft since the 1980 edition was published. It is hoped it will serve as an ethical manual so that even if doctors cannot find answers to specific problems, they can work out answers to ethical problems for themselves by applying the principles set out in the handbook.

UK £9.95; Abroad £10.95  
including postage, by air abroad
